With 3 columns:

Col a	Col b	Col c
Value a	Value b	This is a long description for column c. It needs much more space hence we made sure that the third column is wider.

With 2 columns:

Col a	Col b			
Value a	Value b			
Value b				
This is a long description for column c. It needs much more space hence we made sure that the third column is wider.				
Col a	Col b			
Value a	Value b			
Value b				
This is a long description for column c. It needs much more space hence we made sure that the third column is wider.
